

Gulf Coast Community Foundation helps donors make a difference in Hancock, Harrison, Jackson, Pearl River, Stone and George Counties.

4.1 Million

Invested in South Mississippi in 2021.

\$461,742: EDUCATION

Community partners and individual donors provided scholarships and grants, inspiring innovative teacher projects and students to pursuing excellence in academics and athleticism.

\$681,394: HEALTH & HUMAN SERVICES

We distributed grants to help counter the adverse impacts of COVID-19, and dispersed funds helping Let's Go! Gulf Coast increase children's access to healthy eating and active living.

\$383,720: COMMUNITY PROJECTS

Designated and field of interest funds like Coast Electric's Operation Round Up and the Jack A. & Gertrude W. Wilson Animal Welfare Fund supported initiatives including arts and culture, community service, educational programs, environment, and animal welfare.

\$1,558,043: COMMUNITY DEVELOPMENT

We bridged local agencies like the East Biloxi Community Collaborative, and the Gulfport and Biloxi Main Street Associations, with national organizations including W.K. Kellogg and John & James Knight Foundations. We also initiated energy efficiency and renewable energy strategic planning for Mississippi Gulf Coast neighborhoods and school districts.

\$1,017,306: DISASTER RELIEF

We distributed government-funded and private disaster relief resources to Hurricanes Zeta and Ida impacted residents and disbursed corporate employee assistance funds supporting local families encountering emergency hardships.

More than \$90 Million

Distributed since 1989.
